MINUTES OF PREVIOUS MEETING: Minutes for the October 2021, meeting not posted yet.

GRAND KNIGHT'S REPORT: good evening can you hear me back there it is 7:30 and we are about to begin our meeting and the guards assume their positions.

First of all gentlemen I would like to start as usual by thanking you all for the becoming Knights. Last month we did a cookout for the seminarians at Holy Trinity seminary in Dallas, a group of us attend, I have some of the pictures on the screen now, for some of you guys if you've never been to the seminary on loop 12 and 114 in Dallas. It's really quite an impressive place, we haven't done anything there in a couple of years and to our pleasant surprise they have completely remodeled the main wing and the main hall and they have created a beautiful kitchen. We grilled some burgers downstairs and then we all came up as our group and to the main hall and kitchen and served about 60 people or so about 40 or 50 seminarians and staff and just really had a great time they even have a bar. You can see some of the pictures there they set up a mobile bar and you know it's a Friday night and we're doing a cookout for them to serve the burgers and hot dogs. And of course, all the 21 and over guys are welcome to join the bars and they were just having a really good time so it's a really great feel good time and it was really a very enjoyable I say that one probably one of the highlights of that evening was that we brought them also a gift of a pallet full of chips. Our brother Keith Archer brought 50 statuettes Pope Francis for each one of the seminarians. A big thank you to Keith and his wife Mary, who also helped. Also Robbie Robsan,

James J Smith, Jack Ramson and myself you find left someone somebody else sorry. A great time, so that's what we did at the first part of October. Please take it think a moment and check out that article on the website about the seminary. We've also tried to help her sisters at CDA number 12468 by promoting the sale of their tamales to our council and I hope that a lot of you had the opportunity to enjoy them this past Sunday. I think it was Saturday was the pickup time, so hopefully they benefited from some extra sales but we also donated to them a large TV screen that we had left over from our fish fry's couple of years ago we used to raffle it off on the last day of a fish fry. And so since we didn't do that last time we thought let's donate it to Catholic donors, maybe they can use it for a raffle.

Our brother Robert Nieto spearheaded our first blood drive in a couple of years to thank you Robert he'll have a lot more about that in his report but I just want to be sure that we recognize the fact that we haven't done that in a couple of years and Robert has jumped in new health director. And has taken charge, as a doctor is very appropriate for him to handle. So thank you very much.

The Dallas chapter held its clergy appreciation banquet November 5th and that was an invitation to all the clergy in Dallas the bishops both Bishop Burns and Bishop Kelly would present. I being part of that committee had a hand in organizing it we had 200 people come and probably about close to 30 clergy and deacons from our area including our own Deacon Al Evans and Deacon Charlie Reales. We had our council sponsor a table at the event and of course our initial invitation was for Priests but they decline toward the end. As we got closer they have very busy schedules so unfortunately they could not attend. I and our brother David Dybala from our council attended. A very successful event, pictures are forthcoming soon, they had professional photographers. The food was excellent we had social hour from 6 to 7 and just a lot of mingling with all our Clergy, was a wonderful time. All knights from all over Dallas were there as well and some spouses. Hopefully some of you will want to attend next year. Both Bishop Kelly and Bishop Burns were present.

We were supposed to have a program INTO The Breach series from Decan Al, who was not able to attend. We will just move right into other fields of business.

FINANCIAL SECRETARY'S REPORT (Pete Perta: Emailed report

GK-We have a membership of 227 and we have four new members who have joined us they are Mr. Joe Eubank (P), Mr. Mark Evans (P), Mr. Jose Ramirez, and Mr. Jessie Suniga (P). Gentlemen, please stand up and tell us about yourself.

Star council is an award we strive to achieve by doing everything right you know, meeting our goals that were given by State and Supreme Council or membership goal is that of 11 and we are a + 7 on that our insurance goal is an issue right now and around membership dues collected so far 81% so we are current, also on all forms of missions.

TREASURER'S REPORT: Treasurer advised the Council of the most recent monthly bank account balance.

GK- It is a blessing we have reminded that COVID affected our finances as it did many I believe it to raise money that year was and eliminate it so we are very cautious when we sign checks. We try to be very

careful and James of course is doing a great job and watching everything, so we don't have too much money

RECRUITMENT COMMITTEE (JIM KROWASKI (SP):

We're planning on having a recruitment Sunday on the 21st so I don't have a sign up sheet because I don't need sign ups, I need show ups. So after every mass if you possibly can help, I really need your help I'm hoping that I can be there for every mass, but one person cannot do the job because we're going to be able to make a Pulpit announcement which more people want to talk to us than normally. I given each of you one of these little brochures, take this home, read it and give it to someone! Ask them to read it! On the bottom of that brochure put your name and phone #, so they can call you about membership. Gentlemen I think this is very helpful if you look at this, one of the best brochures. A lot of information just a little FYI in 1954 the Knights were responsible for getting Under God in the Pledge of Allegiance, because that's when Eisenhower signed it into law. People don't know that this came from the Knights of Columbus. In 1975 Midnight Mass was started in the Basilica. In 2001, Knights donated funds for 9-11 victims and families (45 Knights). On 9/12/01, each family had \$K in their hands. We need as much help from you and every new member who helps just a little, is a BIG help.

Please show up on Sunday on the 21st thank you.

More information later on Wheel Chairs.

FAITH DIRECTOR (DEACON AL EVANS)- Excused

FAMILY PROGRAM DIRECTOR (DAVID DYBOLA):

Worth GK -t this year check with Debra Pearson Faith education for the children she has the costumes and everything else usually sets it up with St. Nick. In fact, for several years we've done breakfast with St. Nick. But last year we only did the candy in bags, handed out Christmas ornaments. Instead Christ the Savior is born on the bags, help make certain that all children are looking forward to the coming of their Savior. Visiting with Deborah she indicated first off she didn't know if we could fit St. Nick during the Christmas Market on December 4. Afterwards I got to thinking about it, it's going to be a real nice opportunity in fact what is being proposed as we have a fireside with St. Nicholas here next to the

fireplace set aside part of this area and the rest of this would be for the silent auction and it will help draw people inside an auction as well as bring in children.

Proposing we have funds for 150 bags, total 350.00. Motion for 350.00? 2nd? All in favor...motion carries.

Keith Archer agrees to be St. Nick.

A thank you note from Allen Reitmierer

COMMITTEE REPORTS:

SCHOLARSHIP COMMITTEE (JORGE RUIZ):

FIRST DEGREE TEAM: (TOM GRECO) – 12/14/21, next ceremony in Sanctuary. We have at least 2 candidates.

COUNCIL ACTIVITIES: (VACANT)-Christmas Market on 12/4/21, is a one day event and it will be happening right here in this room will be a silent auction, St. Nick, and outside of the east parking lot there will be 12 by 14 by 14 size area for vendors to display their wares and sell their products are in for and so that generates a little bit of income, the church is selling those spots for vendors \$100 apiece. We will be grabbing one of those spaces, we have to decide do we want to sell some food as a council. Every vendor that's gonna be out there is whatever they're selling is not necessarily a donation for the church and doing it on their own so basically that's exactly the same way we would have only it's taking me way too long add three say go out and buy you know how many cases of Turkey legs did we use last time James 8 cases, 6-20 Turkey legs in a box. 9.00 each a sale. Our booth will be close to building, creating a Turkey track.

1 or 2 food vendors will be here, plus other types of food.

For anybody that wants to sell, you can 4 tables in a spot, for \$100.00. Anything from garage items or rummage items.

Vendors will take back everything, they do not sell, basically just turned out that the vendors, will draw in the crowd, leading to the Midway. We are going to make our money from the Silent Auction and raffle. We will need help with crowd control, set up, and clean up. Signs are being made and will be placed in front of Church. Flyer will in next week Bulleton.

900 people came to Fall Festival. We are expecting a big crowd. Most vendors will set up own tents.

Bingo in Gym

If weather is bad...everything moves indoors.

Church needs our help to make this Christmas Market a success.

Motion to cook food? Participate? 2nd? Motion approved...

We will look into preparing for 500 people..

Food vendors have not committed yet...should know in the next week or two.

Knights may need help other groups set up tables, no stage.

KNIGHT HANDS COMMITTEE: (ALLEN REITMEIER

CONCESSIONS COMMITTEE: (ALLEN REITMEIER);

HEALTH COMMITTEE: (DR. ROBERTO NIETO):

We had a very successful 23 pints of blood donated and it was really encouraging, within 72 hours to blood bank disbursed in Dallas/Ft. Worth area. Thank you to Jim, Raymond, Dennis showed up in the table for recruitment. The goal was to get 35 but we got 23 and they were very grateful for the blood that was donated because they're really in dire straits of blood donations at this time. My goal for next year is to do it in June because there's less competition for space in the summertime and in this room, but I like to do it on a Sunday. Very thankful for what we did.

GK-I just wanted how grateful we are that you have taken on and jumped in and just took charge of this, very much appreciated.

FOURTH DEGREE REPORT (JIM RUSSELL)-
